marHaba Ali,

We're delighted by your interest in **prepared lessons**!

Thank you for sharing your availability with us.

While we usually aim to maintain a fixed schedule for each student, by reserving their spots to avoid overbooking, we're happy to offer a flexible solution for potential or future students who cannot commit to a fixed time slot.

Our teacher Adon has a flexible schedule and can accommodate varying timings. He usually works from 12:00 PM to 6:00 PM Beirut time, but exceptionally for October, his availability is from 11:00 AM to 3:00 PM Beirut time, weekdays only.

For a **trial lesson**, Adon is available on **Thursday, October 30 at 1:00 PM or 2:00 PM or Friday, October 31 at 3:00 PM Beirut time**.

I hope one of these options suits you. If not, kindly share your availability for the upcoming week so we can arrange a convenient trial slot.

To help you plan, here are the pricing details for your chosen lesson type:

Single Prepared Lesson: \$34/hour. (First lesson for 15\$)

Discounted Special Packages: Book 8 lessons + 2 allowed absences for a discounted price of \$230!

Discounted yearly package: Book 40 lessons+ 12 allowed absences for a discounted price of \$975!

Prices are in USD.

All materials, including chapters, lesson sheets, and practice sheets, are included in the package. They will be sent to you by email or shared in your Google Chat space after each completed lesson.

Our first trial lesson is for 15\$. If you are interested in booking, kindly inform me so I can provide you with the proper coupon code. No payment will be made before agreeing on a schedule.

Here's our website, with a link to the Frequently Asked Questions so you know more about them:

All the rules and regulations of any package are also applied even with a flexible schedule.

Ready to start this enriching journey with you!

Please let me know if you have any questions.

Salam,
Naim

Those times are quite late for me. I am in Sydney, Australia, which is 8 hours ahead of Beirut time.
Are there earlier time slots on Friday such as 1 or 2pm?

Salam,
Ali

Hello Ali
hope you are well today
Thank you for your reply

I just want to double-check, are the times you provided for Friday in Lebanon time or Australia time?

To avoid any misunderstanding, kindly share your availability in **Lebanon time only**.

Friday, October 31 at 2:00 PM Beirut time is available with Adon.

On a side note, please note that on October 25 at 12:00 AM Beirut time, Lebanon will switch to **daylight saving time**. If daylight saving doesn't apply in Australia, kindly take this into account when doing the time conversion for the October 31 lesson.

Awaiting your confirmation for the trial lesson

Cheers,
Naim

Oh ok, that changes everything. That will be too late for me.
I was thinking of committing to a fixed schedule every Friday either 7am - 8am Beirut time.
I believe a fixed schedule will be easier for everybody.

Will this be possible?

Apologies for the inconvenience,
Ali

Hello Ali,

Thank you for the clarification.

Unfortunately, we currently don't have any teacher available at that time. The earliest slot we can offer is **Thursdays at 10:00 AM Beirut time** with our teacher Mireille.

Please note that Mireille works on a fixed schedule, so changing times weekly would be difficult as her availability is quite limited.

Would **Thursdays at 10:00 AM** work for you?

Awaiting your response.

Cheers,
Naim
