Hi Naim,

The class was great and I learned a lot. Ghina was very helpful and a great teacher.

I think right now just isn't the right time for me to begin learning Lebanese. I am very busy time-wise and can not dedicate enough time to learning a language.

With that said, I will definitely still be looking to learn in the near future and when that time comes I will reach out to you.

Thank you for your help.

Best,  
Mason

Hi Mason,

I'm really glad to hear you enjoyed the class and found Ghina helpful, she'll be happy to know that!

I completely understand, learning a new language does take time and focus. Whenever you feel ready to start again, just reach out, and we'll be happy to pick things up from there.

All the best with everything you have going on,  
Naim
